My first post,

although I've lurked for a while.

Greetings all but let's move straight to business.  
Spectacled Bear beat me at the finishing line but nevertheless:

Indeed Jahlee's attempt at Nettle was a Crime of Passion and not an act of her inhumane nature.  
The quotes that support this on p315:

"I wanted him so long..."

Meaning Horn/Silk

and

p316

"Something like a smile touched Jahlee's lips. "He had so many, Rani, in Gaon. I couldn't kill them all."

With Rani, probably the female form of Rajan (Queen), Jahlee is addressing Nettle. Jahlee states that the Rajan (Horn/silk) had too many wives in Gaon for her to kill them all. Perhaps Rajan's rescue (saving her from the hole/grave) kindled her interest since she, according to the quote, presumably was in love with Horn/Silk as early as in Gaon.

Johan
