Finally finished all the posts I had avoided while reading RTW. The only further question I have to add is what happened to Mucor? Maytera Marble decided to return to the Whorl to help finish Olivine, but she just casually abandons her granddaughter Mucor?

During some of Horn/Silk's discussion and interactions with Mucor in the Whorl I got the eerie feeling that Mucor had passed away on Blue. Anyone see any evidence to support this? or not?

Marble says that Mucor is taking care of her, not vice versa, so she is not hurting Mucor by leaving.

No.
