Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Doug asks,

What is the Void Cross that Silk wears?

I think it's a symbol that reflects the memory of the old Christian cross, only without (voided) Jesus hanging from it.
