Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Like a nidiot I forgot to add this to my previous posting:

If Horn is wearing the ring when the Neighbor sends him into Silk's body, then this is probably another case of astral projection, of a more permanent nature. That does not settle whether Horn eventually leaves Silk's body or not, but it integrates things further.
