Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

James Jordan — 23 Apr 2001, 12:42

I asked a while back is Seawrack might be a modified inhuma. No takers.
So now I'll ask if Big Mora might have a bit of godling in her, and that's a bit of why she can dream as she does? To put it another way, maybe her size is a hint that she has some genetically altered stuff in her, and that's part of her dreaming ability.
Just asking you guys who Know More.

Nutria
