A more realistic danger is
that the inhumani would gain control over the humans on Blue, as they have
over the Pajarocans and most of those on Green.

Interesting observation. This is something they learn from inhuman humans. As Jesus said, and Wolfe no doubt agrees, the kings of the earth love to lord it over others. The disciples, however, must be "servants of all." When humans stop being inhumans, the humi will stop being inhumani.
