OK, let's settle this.

PALE FIRE is a masterpiece.

The SUN books aren't Fanfic.

Jesus is either God or not.

The Gospels are either history or not.

"Sirius" is a pun on "serious." I think.

There is a very large amusement park outside my present lodgings.

Rave On, you crazy Lupes.

Patrick O'Leary

PALE FIRE is a masterpiece.

Stipulated with the reservation that I don't personally _like_ it.

The SUN books aren't Fanfic.

Enthusiastically endorsed.

Jesus is either God or not.

The Gospels are either history or not.

Either stipulated or not stipulated.

"Sirius" is a pun on "serious." I think.

There is a very large amusement park outside my present lodgings.

I'll happily stipulate that you know what you think and what is outside your present lodgings.

Rave On, you crazy Lupes.

This is a Pink Floyd reference?

Rave On, you crazy Lupes.

Who, I wonder, is Syd Barrett here?

"And ye shall know the truth, and the truth shall make you free." John 8:32
