Hi All,

<<* Who was the body in the tunnel?>>

Isn't the body in the tunnels Titi? This body is first described as a man, then as a woman.

Hammerstone says it seemed like a woman in man's clothes. Later, Spider reveals one of his spycatchers was named Titi, who had a talent for playing a woman.

Regarding Vironese names: Alga referred to me as "Keef" in one of her posts. Would this be an acceptable Vironese name? My dictionary defines "keef" as a preparation of hemp leaves (!). If this is acceptable, thanks Alga!

Keith
