Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

I know that many people think Q&D must be sold out by now, but I still have 16 unreserved copies looking for good homes.

(D. Alexander of acad.drake.edu: I've tried e-mail but can't get through--I've reserved a Q&D for you, reservation runs out April 30.)
