vizcacha,

Re: aquastor question, oh good! <g>

Re: Gene Wolfe's whiskers. I first saw 'em at World Fantasy Con in Baltimore, November 1995. At that time he told me they were still "under construction." Kind of straight--like early Fu Manchu.

I saw him next about six months later at Neb Award weekend in Long Beach. The ends were feathery at that time. Far more whimsical, no longer on the Manchu track.

That's what I know--others can chip in.

Nutria,

Re: your question on enlightenment, thanks!

Joel,

Since your first question overlaps a bit with our other question about Typhon, I'll go with your second question regarding auguries.

"Cyphlothorax"? Hmm. Cyphellothorax: "Hollow of the Ear--breastplate"? Not quite as euphonious as cephalothorax, imho. <g>
