Did I read this correctly? Pas is none other than that two-headed body-stealing world-conquering pan-egotist Typhon from the Books of the New Sun? The starcrosser "Whorl" was launched in Severian's era? I'm amazed that I didn't see that before.

I'm off to the bookstore today to get a new copy of "Nightside", then I'll re-read the set properly.
