Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Hi Folks,

I thought I would pass along that the Gene Wolfe chat transcript from the People web site is now online.

The URL is <http://pathfinder.com/people/interactive/chatarchive.html>

Very interesting stuff - I don't want to spoil it for you.

Cheers,
