Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Richard Horton — 09 Jun 1997, 16:05

I just got my the latest New York Review of Science Fiction, which includes a fine (and in my opinion largely correct) review of Exodus of the Long Sun (or actually of The Book of the Long Sun) by John Clute.

Incidentally, Clute acknowledges the help he received from two members of the list, Mantis and Alga.

(and the May Interzone includes a sort-of-interview with Gene Wolfe by Elizabeth Counihan.)
