24. "Why does the monitor . . . overrule their . . . choice of Green?" Because the choice had been Quetzal's and the monitor, seeing his body, realized that he had not been a human being. (You already knew the answer, and gave it yourself. Why ask me?)

Well, I don't know whether to feel good because I had sort of figured out the answer to this (but I didn't KNOW that I knew), or stupid because I should have known (I mean, there are greater mysteries than this one was, for sure). Anyway, thanks to Wolfe for answering and thanks to mantis for driving the train!
