This is Sean Whalen (prion).

Nettle. Any species of prickly or stinging plants of genus *Urtica* or family *Urticaceae*. Horn's wife. Coauthor of the Book of Silk.

Newt. A small amphibious salamander, usually of genus *Triturus*. The name formed because of an incorrect merging of an ewte (a newte). Ewte was the animal's original English name, and it remains in the word eft. New member of the Ayuntamiento.

Nizam. Trivigaunti private who takes in Tick for a while.
