This is Sean Whalen (prion) .

Oosik. Also ooshook. Inuit (Eskimo) for the baculum (penis bone) of a walrus, or of other sea animals, or just penis. Baculum or baculus in Latin means, staff, walking stick, or an augur's staff. Generalissimo of Viron. Father of Mattak (Whale Meat). Name may have to do with his relationship with Hyacinth. A baculum is an augur's staff, and Oosik is a member of Silk's staff.
