This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Dan Rabin — 29 Sep 1999, 19:44

Alex David Grace remarks (in commenting on my original comment) that Mucor is still creepy in _Blue_.

To clarify, my original remark was intended to refer to the way in which in the course of _Long Sun_ Mucor becomes treated familiarly. In particular, by the time Maytera Rose is calling he "my granddaughter" the whole thing seems very cutesy to me. Not at all the frightening demon who has to be exorcised from Orchid's.
