I didn't say that. I said Severian shows up, and so does his sister. I don't know what character that latter is.

Kevin: any publication dates for GREEN and WHORL yet?

I don't know. Obviously, the mss. are complete; that's Wolfe's custom. I had heard that the three were going to be released on an accelerated schedule, say every eight months rather than every 12, but I don't know if that's fact or fancy. I'll ask Hartwell when he gets back from Frankfurt.
