Ooops, that was Blind Pew, wasn't it? Guess I conflated him with LJ Silver's peg leg <g>, Well, up next: Blind Pig.

alga,

This can't be coincidence!

In the animated tv series The Tick, in an episode entitled "Heroes," a supervillian calling himself the Deadly Bulb appeared. He was originally called Pigleg, for the good and sufficient reason that one of his legs terminated in a pig, rather than a foot, but he wanted an image change. As the Deadly Bulb, one of his gimmicks was **blinding** flashes of light.

And of course, you all remember the name of the catacrest Silk is offered before he buys Oreb in Nightside the Long Sun: Tick!
