Mssr. Newt, my memory fails also as to whether Hyacinth was an engineered embryo, though Silk and Chenille sure were. Anyone? How about a few characters not much speculated on, or even, eek, _all_ the, uh human Whorl denizens? (just spitballin here...)

Hello Everybody,

Could any of you tell me either where you read this or how you figured it out? I am finding that I have missed many of the things you all have discussed and that my skill in literature analysis is not too high.

Thanks,
