Dave,

My apologies if the text originated with you. (Still, algae should have caught it rather than being caught up with it! <g> <And you were, Jahi, admit it!> <g>)

See (I, ch. 9, 217); (II, ch. 1, 29).

Please note, all Quetzalghostpikers: I am not questioning "Quetzal is the dark thing flying from the room at the beginning of the episode" (see III, 20); I am questioning the double-dipping required to have Quetzal also be the ghost of Pike, as well as how such a charade could possibly help Quetzal or his goals.

Talon,

Glad to help out.

Father = Ouen (the waiter at the Inn of Lost Loves)

Mother = Catherine (definitely a monial who left the Pelerines, probably an exultant, possibly related to Thecla) Paternal grandmother = Dorcas ("Oedipus, meet Lolita") Paternal grandfather = the boatman on the Lake of Birds (essentially "Charonius")

algae,

Nice to see you coming out and agreeing with the Orchid/Mucor thing--now I'll try to sabotage it for you! <g> But in the meantime, don't forget your mini-lecture on how the Lake is not a Window!

(Then again, you do make such an Artful Dodger!)

=mantis=
