Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

One more non-spoiling advance comment on IN GREEN'S JUNGLES: admirers of Wolfe's technique of embedding stories will like this book very much.
