I got my copy at Midtown Comics (40th St. just west of 7th Ave, Manhattan). I'm up to page 104 and so far it's thoroughly absorbing; I doubt I'll be able to go to bed until I've finished it. Ugly, ugly, ugly cover, though. I don't have OBW in front of me, but from my recollection IGJ's cover is much worse.

Am I actually the first to post that IGJ is out?

I suppose noone's got any ideas where I might find it in the UK? I picked up a US import of OBW in Heffers in Cambridge - any ideas, anyone?

hello everyone, by the way - now I will go back to lurking and learning!
