I found it in the Borders at the World Trade Center (random chance-- I was just idly scanning the shelves while waiting to meet somebody for lunch). They only had one copy.

Argh. It'll have to wait until I finish the PLANET OF ADVENTURE books, which shouldn't be more than a day or two, but I'll have to read it without copies of OBW or BOTNS on hand...

I've just ordered it from Amazon in the UK - cost 15ukp + p&p
although if anyone would like me to I can 'refer-a-friend' them and then you get a 5ukp voucher (so do !!)

this is quite convenient for me as I've just finished reading OBW and I find it much easier to deal with Wolfe's books if I can try and preserve some continuity.
