Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

RETURN TO THE WHORL is scheduled by Tor for publication in February 2001 (i.e. the second half of January). Not so long to wait.
